

# Home School Support

- Home schooling is an **educational option** that is becoming more prevalent among military families
- Homeschooling provides military families with
  - Continuity in education
  - Eliminates the stress of leaving one school district and moving to another school district
- My role in homeschooling is merely to be an **information** and **referral resource**
  - I have knowledge of state, local laws
  - I can connects families to resources (on/off base)
  - I can help coordinate the use of Navy & Marine Child, Youth & Teen Facilities
