**Release #BA03-15**

### **HART Update: Utilities work between Center Drive and Radford Drive to begin Feb. 19; expect lane closures**

PEARL HARBOR-HICKAM - Beginning Thursday, Feb. 19, the Honolulu Authority for Rapid Transportation (HART) will work on Kamehameha Highway in the westbound direction between Center Drive and Radford Drive. Motorists should prepare for lane closures and contraflow traffic. The work is expected to last three to four months.

Construction work takes place from 8:30 a.m. to 2:30 p.m. Drivers will experience two lane closures along Kamehameha Highway in the westbound direction for ongoing utility work. A contraflow lane will allow westbound traffic to make a left turn into Makalapa Gate. Traffic at the Makalapa Road and Radford Drive intersection will be controlled by Honolulu Police Department officers. Motorists should follow posted speed limits and other signs in the construction areas.

In addition, the bus stop at Kamehameha Highway and Center Drive is closed during construction hours. Updated bus routes and temporary changes can be found at [www.TheBus.org](http://www.TheBus.org).

Contractor Nan Inc. is working closely with HART to provide weekly traffic updates. Visit HART's website, [www.honolulustransit.org](http://www.honolulustransit.org), for more information and traffic updates for all impacted areas relating to rail.
