

# Motorcycle Rider Program

- Active duty new and existing riders ensure immediate contact with command MSRs and supervisors for ESAMS activation and identification as new and experienced riders. Only required for DoD civilian personnel if operating a government motorcycle for official work purposes.
- All courses held at Yokohama North Dock. Primary P.O.C. is local command MSR and supervisor. Additionally, please contact traffic safety office at 264-3983/3112 for further details. Course signup on ESAMS.
- As per regional policy, experienced riders with current state endorsements must attend BRC-2 training in Japan prior to SOFA license endorsement.
- NAF Atsugi enjoys local motorcycle riding club titled the “Samurai Riders.” Check them out on Facebook: <https://www.facebook.com/NAFA#!/NAFA.MMP?fref=ts>
