Entering Closed Railroad Crossing

Failed to Stop

Unsafe Actions on Sidewalk

Improper Breaking Systems

Drinking and Riding

Other off base violations

- Road Closure Violation
- Failed to Yield on sidewalk
- Wrong Lane
- Intercepting (Cutting off) pedestrians
- Unsafe action in the intersection
- Failed to yield to primary traffic in the intersection
- Failed to yield primary traffic in the rotary
- Failed in safe operations.

Bicyclist Responsibilities

Apology will not solve the problems....

Review your liability insurance (if you do not have insurance as a bicyclist you may want to consider) weather it covers you and your families including children.

A Bicycle is considered as a vehicle on the roadways. Responsibilities for riders are same as drivers of motor vehicles. Demands on compensation for damages are getting higher and are expected to be paid.
