

Navy Band Southwest

Destroyers

The *Destroyers* is Navy Band Southwest's premier Popular Music Group. The repertoire for this high energy group encompasses many different musical styles in order to accomplish several distinctly different missions.

Performance venues for this dynamic ensemble range from all out rock concerts in high school auditoriums to the smooth pop or jazz combo selections at formal military receptions. The members of the group keep a vigilant eye on the current music trends while refining and polishing the classics that everyone has grown to love.

The band's six-member makeup gives it a cost-effective mobility that keeps the group rocking throughout the Southwestern United States; supporting Navy recruiting, retention and community relations initiatives.

Under the leadership of Musician First Class Edward Moore, the *Destroyers* are a group dedicated to bringing the very best music of yesterday and today to the stage!
