**NAVY GOLD STAR AWARENESS MONTH**
The Navy Gold Star Program has dedicated the month of May as Gold Star Awareness Month. As we head toward Memorial Day, please recognize the sacrifices that Gold Star family members make when a father, mother, brother, sister, son, daughter or other loved one dies in service to our nation. Let Gold Star families know that they and their fallen heroes will never be forgotten. Remember, behind every Gold Star pin there are stories of fallen service members and strong survivors. **I.C.E. COMMENT**
Interactive Customer Evaluation (I.C.E.) allows DOD customers to rate products and services provided by DOD offices and facilities worldwide. Your comments and input are used to improve the products and services available to you.

**COMMENT:** Recently the parking situation on the Command Hill area of the base has gotten out of control. On a daily basis people park illegally on the street and in the parking garage. Not only is this a nuisance to other drivers, but also a safety concern due to this potentially impeding traffic flow in an emergency. Security needs to drive around one day and issue tickets to the offending parkers, many who believe that it is OK to park wherever they want.

**RESPONSE:** Thank you for your submission to the ICE system and we apologize for this inconvenience. Due to temporary conditions, such as Building C21’s construction project, we have had a reduction in available parking spots on Command Hill. To alleviate some of this congestion we have opened up Navy Gateway Inns and Suites (NGIS) parking spots adjacent to our NGIS facilities at the foot of Command Hill. While we generally do not conduct sweeps in the way you described, the Security Department responds to complaints of illegal parking anywhere on base and issues parking tickets to illegally parked vehicles.

**CONSTRUCTION AND ROAD CLOSURES**

- **Commissary Renovation:** Work is planned in multiple phases for sales and display areas through June 2019. The Commissary will be operational and will provide the same level of service throughout the construction.
- **Gridley Tunnel Closed:** June 1 to July 15.
- **Remove and Install Water Pipes Near Main Gate:** Partial road closure of two inbound vehicular lanes until May 24 from 9:00 a.m. to 6 p.m.
- **Replace Steam Pipes at Building 1557:** Phased road closures on Green Bay Dr. during construction through the end of this month.
