## **Navy Region Mid-Atlantic Installations participate in nationwide exercise May cause traffic delays into area bases**

Norfolk, Va. – Exercise Solid Curtain/Citadel Shield (SC/CS) 2015 will be conducted Feb. 2 -13 at all Navy installations throughout the continental United States. SC/CS is the largest anti-terrorism and force protection exercise conducted annually nation-wide.

The exercise is designed to enhance the training and readiness of Navy personnel to respond to threats to installations and units. SC/CS 2015 is not in response to any specific threat, but is a regularly scheduled exercise.

The exercise may cause increased traffic around installations or delays in installation access. Residents living on or around Navy installations may also see increased military activity and possible traffic/pedestrian congestion, associated with the exercise.

The annual exercise is coordinated by U.S. Fleet Forces Command and Navy Installations Command.
