Naval Station Norfolk Shooting (UPDATE 3:42 a.m.)

NORFOLK, Va. – There are two fatalities, one male Sailor and one male civilian suspect, following a shooting at Naval Station Norfolk last night.

The incident occurred at approximately 11:20 p.m. at Pier 1. No other injuries have been reported.

U.S. Navy security forces responded to the incident and have secured the scene.

Naval Station Norfolk was briefly put on lockdown as a precaution, but has since lifted that restriction.

The shooting and the details surrounding it are under investigation.
