### [FFSC 35<sup>th</sup> Anniversary Celebration](#)

Fleet and Family Service Center Norfolk will celebrate 35 years of providing exceptional support to military families on Friday, 18 July from 1000-1400 at the FFSC on Hampton Blvd. All military members, spouses and children are invited to attend. Temporary tattoos, face painting, corn hole, and activity books for children; great resources from MWR, Personal Property, Housing, Navy Lodge, Navy Exchange, Commissary, NMCRs, and more. Cake and giveaways for all, while supplies last. Hotdogs and drinks available for a nominal fee.

Come register to VOTE!!! Visit us at Schamberger Hall, Building R-61  
Call or [email](#) us at 445-5952 or 444-7029.

### [Information About Your Drinking Water](#)

The Safe Drinking Water Act (SDWA) requires that each community water system provide annual Consumer Confidence Reports (CCR) to each of their customers. The primary goal of the CCR is to provide a summary of the quality of drinking water supplied during the past calendar year (2013). The CCR includes a table listing all contaminants detected in the finished water at levels above the Environmental Protection Agency's prescribed minimum detection limits. The report also includes information on the sources of water, health effects, compliance status, and other related information about your drinking water.

### [Pre-Deployment Brief](#)

TPU Norfolk will be hosting their quarterly pre-deployment briefing at 1000, Thursday, 7 Aug. in Bldg. J-50. The briefing is designed for deployed units, whether imminent or downstream. Items to be discussed include limited duty, pregnancy, medical boards, administrative separations, regular separations, onward transportation, and discipline. For further information, please contact [Mr. Richard Green](#) a 444-4469

### [Inventory Your Property](#)

Operation Identification (OP ID): Mark and inventory your valuables, in your barracks room, at home, in your car, in your workplace. Be sure to keep your inventory/list in a safe place and the serial numbers are clear and legible. Etch your driver's license number, as well as the state abbreviation (for example, A123456789 VA) in a visible location.

Marking your property DOES NOT lower the value of the item, however it does act as a deterrent to property loss. iPads, laptops, televisions, DVD's, GPS systems, digital cameras, etc., are some of the items that should be engraved with your driver's license number. Items such as jewelry, paintings and other small valuables should be photographed with a description and value marked on the photo.

Bicycles can be registered through the Naval Station Norfolk, Physical Security/Crime Prevention Office (FREE) and it's convenient. If you are currently living in one of the barracks onboard Naval Station Norfolk, we have an electric engraver to assist you in marking your property. You will need to provide documentation that you are the legal owner of the property. Contact [Priscilla Cuffee](#) for further information.

### [Critical Days of Summer](#)

This year's Critical Days of Summer safety campaign runs from 23 May - 2 September.  
[Effects of Blood Alcohol Concentration \(BAC\) on Driving, Boating Safety, Summer Outdoor Safety, Off-Duty Recreation](#)
