

MISSISSIPPI GULF COAST SCHOOL GUIDE

NAVAL CONSTRUCTION BATTALION CENTER

2016 - 2017

Welcome:

On behalf of the Naval Construction Battalion Center, I welcome you to the beautiful Gulf Coast of Mississippi. The School Liaison Officer serves as the primary liaison between community schools, commanders, and military parents.

The School Liaison has seven core functions:

- School Transition Services/Permanent Change of Station (PCS) Cycle Support
- Deployment Support
- Special Education System Navigation
- Installation, School, and Community Communications
- Partnerships in Education
- Homeschool Linkage
- Postsecondary Preparation

School Guide:

This guide contains valuable information on our local public schools, private/parochial schools, and home schools. As your NCBC School Liaison Officer, I remain neutral and strongly support all of our school districts. The data and information provided comes from web pages listed in this guide, and is available to the public. There are approximately 3500 DOD children attending school along the Mississippi Gulf Coast.

MS Age Requirements:

Students entering Kindergarten must be 5 on or before Sept 1, 2016.

Students entering first grade must be 6 on or before Sept 1, 2016.

*Kindergarten is not a mandatory requirement in Mississippi.

Pre-K:

Some of the Gulf Coast school districts offer limited pre-k classes funded privately or by parent fees. Please check with the district where you are zoned for more information. You can also call United Way at 896-2213 ext 7112.

Registration Requirements for new students:

- Mississippi Certificate of Immunization form 121 (NCBC Medical Clinic, KAFB Med CTR, Health Dept, etc)
- Certified copy of birth certificate (not a hospital certificate)
- Student's Social Security Number
- Verification of Residency (must provide 2 forms of proper documentation: utility bills, driver's license listing present address, automobile registration, filed Homestead Exemption application form, mortgage documents or property deed, apartment or home lease, housing assignment form, letter from housing director verifying residency-NCBC, etc.)
- Report cards and/or other records of grade placement
- IEP documents if special services required
- GUARDIANSHIP: Legal guardian must provide a copy of the most recent court order, signed by a judge, appointing them as legal guardian.

HB 879-Allows military parents residing on base school district choice:

Effective 1 July 2013 parents residing on Naval Construction Battalion Center have the option of enrolling their children in adjacent school districts (Long Beach, Harrison County, Biloxi). Parents must provide transportation to the out-of-district school with the exception of Long Beach. Both Gulfport and Long Beach run bus service on CBC. Gulfport buses transport to 28th Street Elementary, Gaston Point Elementary, Central Middle, and the High School. Long beach buses transport to Quarles Elementary, Harper McCaughan 4-6, the Middle and High School. Please remember that this law allows an on base parent to choose a school district not a school.

Interstate Compact on Educational Opportunity for Military Children:

In 2009, the Military Interstate Compact was signed into Mississippi law. The compact provides for uniform treatment of military children transferring between school districts and states. The Compact has specific articles that deal with: enrollment, immunizations, placement, graduation, and many other areas of importance. Please familiarize yourself with the Interstate Compact at www.mic3.net.

Residency & Enrollment:

It is very important that you understand the importance of home residency and school enrollment. Where you live MAY determine where your child will attend school. While several of our districts allow outside transfers, some do not. There may also be a tuition fee associated with outside transfers. Transferring your child involves an approval process from the losing and gaining school districts. In addition, you must provide transportation to the out of district/zone school. Transfer information is provided under each individual school district below.

Special Education:

Special Education (SPED) is a complex and sometimes emotional subject. Communication is the key when dealing with school districts and SPED. I recommend to our parents to become familiar with federal and state law.

Federal law information can be found at <http://www.2.ed.gov/policy/speded/guid/ided/idea2004.html>. or www.wrightslaw.com. MS state law can be found at www.mde.k12.ms.us/specialeducation.html. or www.mde.k12.ms.us/special-education/special-education-policies-and-procedures. Information ranging from

initial evaluations to mediation can be found here. If you have a special needs child and are attempting to register at a school please remember to ask for the Local Survey Chairperson (LSC). This faculty member will help you with special services.

ESA-The Equal Opportunity for Students with Special Needs Act enacted by the Mississippi Legislature during the 2015 Session created the Education Scholarship Account (ESA) program (Senate Bill No. 2695). It is a program designed to give those parents with special needs children the option of withdrawing their child from the public school system and receiving a designated amount of funds to help defray the cost of private school tuition or other specific allowable activities to educate their child. The administration of this program has been designated to be performed by the Mississippi Department of Education (MDE). For more information, and to apply go to www.mde.k12.ms.us/ose/esa.

Youth Sponsorship

Are you and your family planning on moving to Mississippi soon? Or, have you just arrived at your new home and want to learn more about what's available in the area? The Navy Child and Youth Programs Youth Sponsorship Program will provide you the necessary information and tools to help you cope with your transition. Our goal is to provide services to eligible children and youth living on and off base.

The Youth Sponsorship Program is comprised of three elements: Youth Sponsors, Youth Sponsorship Clubs, and Student 2 Student.

Youth Sponsors: Helps with the relocation of youth so that they can become more familiar with their new home in MS. Sponsors are matched to youth according to their gender, age, and interests. The sponsor escorts incoming youth around the base, school area, and to the Youth and Teen Activities Centers and events. Newcomers can find a matching sponsor by filling out a Youth Sponsor form found at the Youth Center.

Youth Sponsor Clubs: Located in the Youth and Teen Centers and focus on relocation support and the transitions that military-connected youth and teens often encounter, while offering programs specifically tailored to the needs and interests participants.

Student 2 Student (S2S): A school based program designed to aid youth who are changing schools due to their parent's military mission requirements. The S2S program is school managed and student-led. Currently, S2S is offered at Ocean Springs High.

If you need more information regarding the Youth Sponsorship Program please contact the Youth Activities Center program staff at (228) 871-2251.

Exceptional Family Member Program

The Exceptional Family Member Program, EFMP, was originally established to comply with the Individuals with Disabilities Education Act in DODD Schools. It is used to coordinate PCS assignments to ensure the availability of services required to meet the family's special needs. Enrollment is mandatory for family member(s) experiencing physical, emotional, or intellectual disability or long term special education needs.

Military Family Life Counselors-currently, there are 13 counselors working with our military students at 37 schools. A parent release form must be signed before a counselor can work with a student. Check with your child's school to see if one is assigned there. School adjustment, deployment, reunion, and behavior are some of the areas addressed by the Military Family Life Counselor's (MFLC).
