

Immunizations

For information about immunizations and health screenings to attend Florida schools, please visit the Santa Rosa County Schools website for Health and immunizations at http://www.santarosa.k12.fl.us/stuserv/Health_Services/Health_Services.htm.

*Please note that the NAS Whiting Field Branch Health Clinic is here to service your immunization needs. If you already have an appointment, they will help you then; if you do not have an appointment, you can come in Monday - Thursday from 1300-1500 and on Friday from 0730-1145.

*Also please note that you should bring a hard copy of your child's immunization card. The AHLTA database may not be accessible or have updated your child's immunizations.
