

b. Enclosure (1) identifies designated hunting and fishing areas. Enclosures (2), (3) and (4) are the regulations governing fishing, hunting and scouting respectively. Enclosure (5) is the Hunting Area Pass to be conspicuously displayed in the vehicle windshield while hunting.

5. Action

a. Personnel authorized by enclosures (2) and (3) may obtain SUBASE Hunting/Fishing Permits from Morale, Welfare and Recreation (MWR) Outdoor Recreation located adjacent to the Auto Hobby Shop Building.

b. Fees collected from hunting/fishing permit sales will be accounted for by MWR. MWR shall retain all collected fees for handling and collecting hunting and fishing fees. The MWR Business Office will provide the SUBASE Natural Resources Manager information relative to obligational authority of fees collected from fishing and hunting permit sales. The following fee schedule applies:

(1) Fishing Permit - \$10.00.

(2) Hunting Permit - \$25.00.

(3) Combination Hunting/Fishing Permit - \$35.00.

(4) Weekend/Holiday Hunting Permit (valid for weekends and 3-4 day holiday weekends - \$5.00).

(5) Christmas Stand-down Hunting Permit - \$10.00.

c. Creel, bag and possession limits will be per state rules and regulations unless modified by the Environmental Department (PRKB4) for conservation purposes.

d. The SUBASE Security Officer is responsible for enforcing hunting and fishing regulations. SUBASE Security personnel and Federal, State and County Conservation Officers are also authorized to enforce these regulations. Violators of base hunting and fishing regulations will have hunting and fishing

privileges revoked for 30 days for minor violations, and for the season for major violations or second minor violations, as determined by the Security Officer. Violators of Federal and State laws will be cited with Federal Magistrate citations or turned over to the appropriate State or Federal Wildlife Law Enforcement authorities.

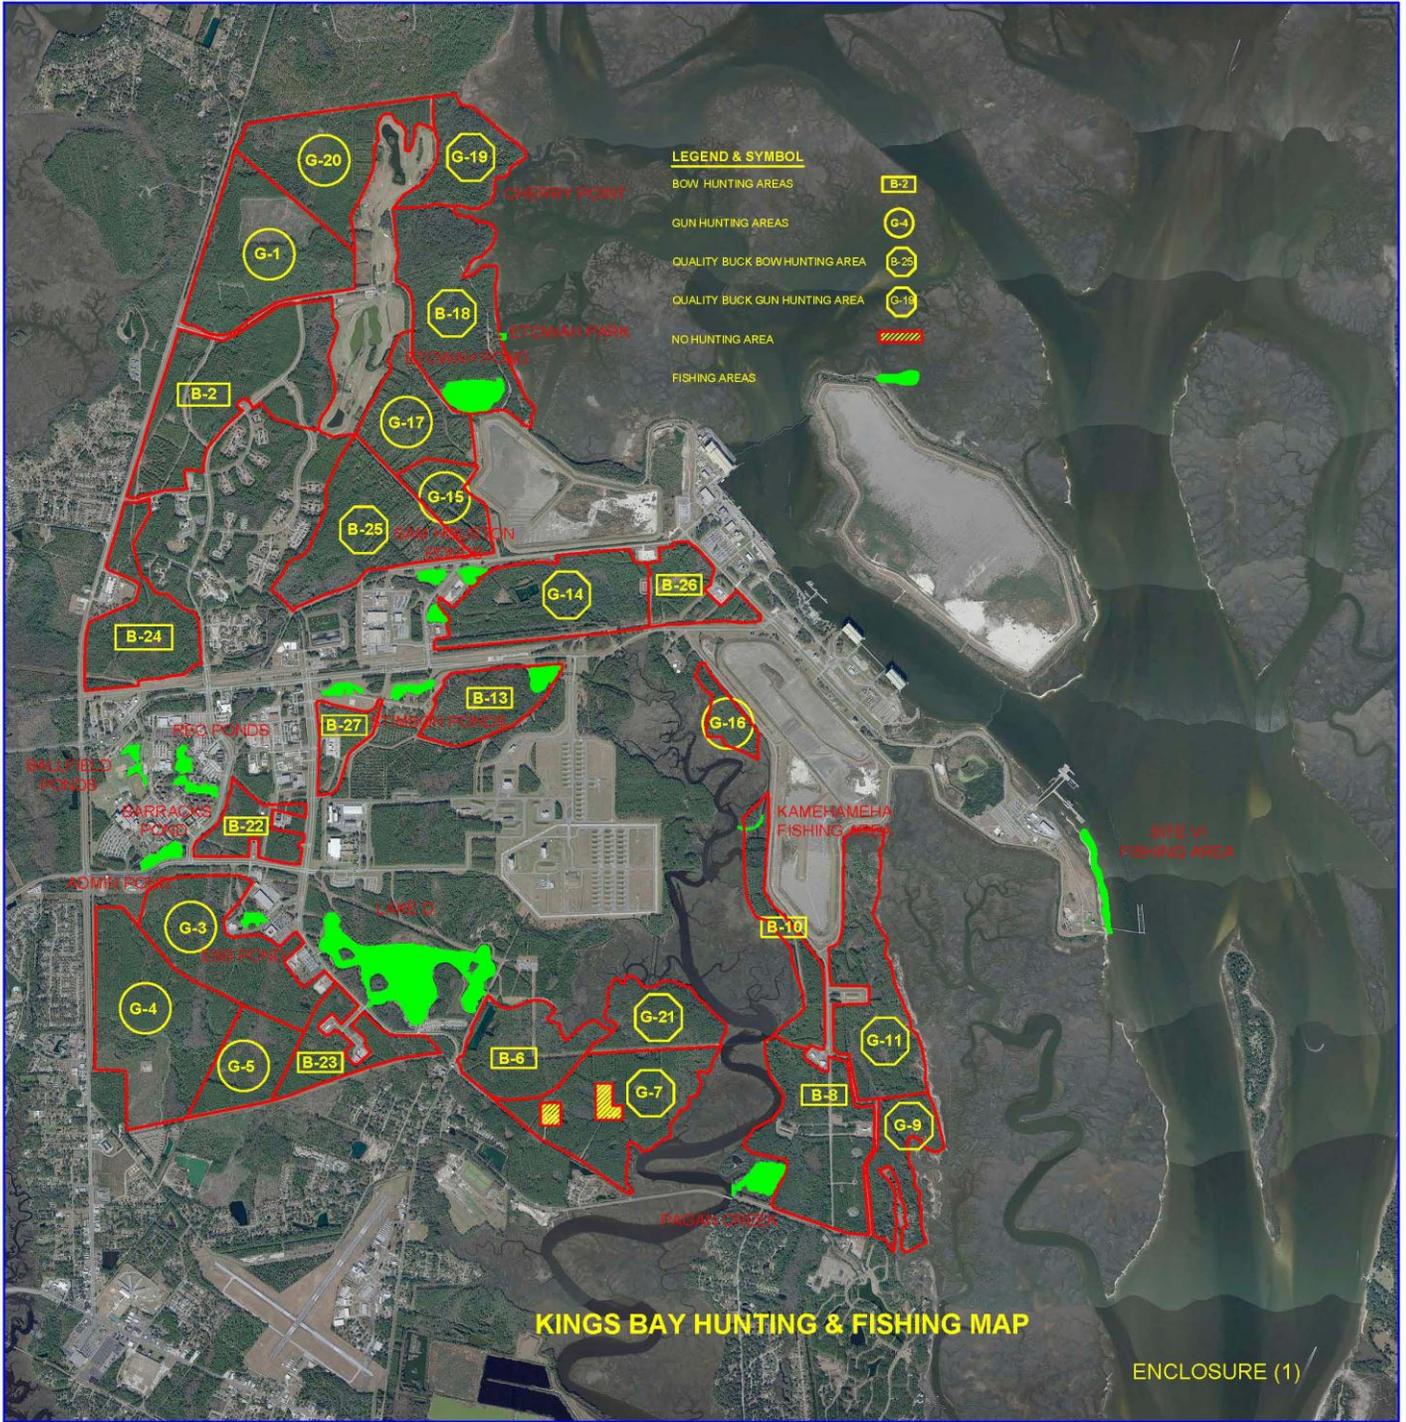

e. Personnel scouting, hunting or fishing on base do so at their own risk and are responsible for the safety, welfare and conduct of themselves, their family members, and guests.

f. The forests, fields, swamps, marshes, ponds and flora shall not be damaged or disturbed except as reasonably necessary to enter and leave hunting or fishing areas. All areas will be kept free of litter and pollutants. Hunters shall remove all markers, flagging or other articles placed while hunting or scouting within 48 hours after terminating a hunt. Releasing any type of living organism into the environment is prohibited. People hunting and fishing will observe all restricted area signs and remain clear of all restricted area boundaries.

6. Forms. SUBASE Hunting/Fishing Permits are available from MWR outdoor recreation. SUBASE Kings Bay Form 11015/3, (enclosure (5)), SUBASE Hunting Area Pass will be obtained at the west end of Building 3007 at check-in. Passes will be returned to the Game Checking Station drop off box at checkout before one hour after sunset.

FISHING REGULATIONS

GENERAL

1. Fishing is authorized for all U.S. Military, retired U.S. Military, Federal Civil Service, retired civil service, and non-appropriated fund personnel, including family members and guests. Saltwater fishing is authorized in Etowah Park, Pagan Creek/North River area visible from Point Peter perimeter road, the North River tributary access visible from Kamehameha Road***** and south of Site Six to the Magnetic Silencing Facility fence line from the shoreline. Site SIX is open for fishing weekdays from 1600-0600. Fishing is permitted 24 hours a day on weekends, Federal holidays, and during the SUBASE holiday stand down period. Fishing is permitted from the finger pier only, small boat floats are closed to fishing. The southern finger pier is closed when submarines or other commissioned naval vessels are moored. Personnel may drive their personally owned vehicles onto the pier to drop off and retrieve fishing gear, but must park in the parking lot outside the sentry gates while fishing. Fishing areas will be free of trash and debris before departing the area. Fishing is not authorized behind the DOSF magazines. Fresh water fishing is authorized in all lakes and ponds with the exception of the golf course ponds. The golf course ponds are open for fishing on Christmas day ***** and MWR sponsored events only. State regulations govern gear and catch for fishing tidal waters. State fishing licenses and SUBASE fishing permits are required for harvesting fish, shrimp, crabs, oysters, clams, bait or any other finfish or shellfish from tidal waters and for fishing in freshwater ponds. Base fishing permits are valid for one year from date of purchase. Fishing permits are not required for individuals 15 years of age and under or 65 years of age and older.

2. Fishing will be per the laws and regulations of the State of Georgia. License(s) required by the State and SUBASE Fishing permits must be in possession while fishing. Both documents will be surrendered to SUBASE Security or Federal, State and County Conservation personnel upon request.

3. Season lengths and creel limits, as set by the State, may be reduced or cancelled and ponds/waterfronts may be closed for reasons of fish and wildlife conservation or security.

4. Children under 12 years of age are prohibited in the vicinity of ponds, tidal creeks, streams and piers unless accompanied by an adult.
5. Vehicles will be parked in authorized parking areas or will be no closer than 20 feet to the edge of a pond or lake.
6. Fishing from pond banks, docks or wading no more than 10 feet from shore is permitted during daylight hours. Fishing from pond banks and docks is permitted at night. All personal boats will be registered at outdoor recreation for a fee of \$25.00 annually and are restricted to electric motors only. Personal boats must be hand launched, putting trailers in the water is prohibited to protect lakes and ponds from aquatic weed infestations. The boat ramp at Etowah Park is closed. The boat ramp behind the DOSF MAGS on north river and south of the Magnetic Silencing Facility are closed to personal boats.

HUNTING REGULATIONS

GENERAL

1. Hunting is authorized for all U.S. Military, retired U.S. Military, Federal civil service, retired DOD civil service, non-appropriated fund personnel, dependents and two guests. Guests will be required to have a signed weapons registration and clear NCIC/GCIC background check prior to hunting or scouting the base. Guests must be accompanied by the authorized sponsor when hunting and scouting. When space is available, employees of Base Operating Services Contractor (BOSC), Lockheed and other resident contractors are authorized to hunt. Non-hunters are individuals accompanying hunters but not carrying weapons. No permits or fees are required for non-hunters. All non-hunters must remain within visual contact of the sponsor. The minimum age for hunting is 10 years old at the time of the hunt. There is no minimum age for non-hunters. Hunters born on or after 1 January 1961 must have a State approved Hunter Safety Course certificate. An adult sponsor must accompany hunters under the age of 18 at all times.

2. Hunting shall be per the laws and regulations of the State of Georgia. Licenses (including big game) required by the State, SUBASE hunting permit, and weapons registration must be in possession while hunting. Weapons registration must be less than three years old.

3. At check-in, hunters will be issued a SUBASE Hunting Area Pass, enclosure (5). The pass will be conspicuously displayed in the hunter's vehicle windshield. Vehicles not displaying the Hunting Area Pass may be towed at the owner's expense. All documents will be surrendered to SUBASE Security or Federal, State and County Conservation personnel upon request.

4. All hunters must attend an annual SUBASE Hunting Rules, Regulations and Safety Brief conducted by the Game Warden prior to hunting or scouting.

5. Upon entry to the Base for hunting, hunters must declare what weapons they are bringing on board and declare the number/type of rounds in their possession.

6. Hunting areas may be closed for reasons of safety, security or for conservation purposes. Lower base and areas B-6, G-7, and G-21 will be closed during an ARC.

7. Boundary lines of hunting zones are conspicuous landmarks such as roads or ditches or marked with signs as necessary to locate assigned zones. Hunters are responsible for knowing hunting area boundaries. Construction sites are off limits at all times.

8. During applicable State hunting seasons, hunting on board SUBASE is authorized on Wednesdays and Thursdays from 1200 to closing (one half hour after sunset) on the Upper Base and **** from 1600 to closing (one half hour after sunset) on the Lower Base, weekends, Federal holidays, the Friday after Thanksgiving and during Christmas stand-down (generally the week between Christmas and New Years). Game check stations will be manned during all hunts.

9. Authorized weapons are compound bow, longbows, crossbows, shotgun (20 gauge or larger), and muzzle loading black powder firearms (44 caliber and larger). Pistols, handguns and rifles of any type are prohibited. Bow hunters will not carry firearms. Each hunter or non-hunter may carry only one knife with a blade in excess of three inches. Gun hunters are limited to 10 rounds of ammunition.

10. Hunting while under the influence of any drug or alcohol, or carrying any such substances while in hunting areas during hunting days, is prohibited.

11. Hunting within 50 yards of any road, railroad, golf course, or maintained structure is prohibited. Shooting towards any road, railroad, golf course, or maintained structure from a distance of 200 yards or less is prohibited.

12. All hunters and non-hunters will wear fluorescent orange with at least 500 square inches visible above the waist while in hunting zones during hunting days. Bow hunters may remove this garment while in tree stands but must wear fluorescent orange when entering/exiting hunting areas and tracking wounded game.

13. Vehicles entering the base for the purpose of hunting will contain only one authorized weapon (gun or bow) per hunter. Weapons are authorized for transport from the residence to check-in, then directly to the hunting area, then directly to

check-out, and return to the residence. Riding around SUBASE or conducting any other business (gas, groceries, banking, drive-thru, etc) with a weapon in the vehicle is prohibited. Weapons will not be carried in gun racks and must be cased/unloaded while in transport.

14. All hunters are required to carry a cell phone or other device to communicate with Base Security in case of emergency.

15. SUBASE hunting season dates will coincide with the dates established for deer hunting by the State of Georgia. Shooting hours are from one-half hour before sunrise to one-half hour after sunset.

CHECK-IN/CHECK-OUT PROCEDURES

1. Hunter Check-in. Hunters will check-in at Building 3007 (west end) at the Diamondback cleaning station area. Check-in hours are 0500-0700 and 1200-1300. Wednesdays and Thursdays * check in will be 1200-1300 only. Hunting will be secured at the discretion of the Game Wardens if there is a lack of participation or inclement weather.

2. Game Checking. All deer harvested will be taken to the Game Check Station, located at Diamondback to be checked by the Game Wardens before being field dressed and cleaned.

3. Hunter Check-out. Upon finishing hunting or when planning to return later, hunters will check-out at the Game Check Station by placing Hunting Area Passes in the Done for the Day/Coming Back Drop-off Box. All hunters must be checked out by one hour after sunset.

DEER HUNTING

1. Hunting at SUBASE is limited to deer hunting on authorized days during the State deer hunting season. The incidental take of coyotes, raccoons and feral (wild) hogs while deer hunting is authorized however, all deer hunting regulations apply. No other wildlife may be harvested while deer hunting unless specifically authorized by separate enclosure or instruction. Deer hunters are limited to two deer per day on SUBASE. Deer hunting will be from portable, temporary tree stands only. Tree

stands will be labeled with the owner's name, telephone number, and command and/or home address. Hunters will strap themselves to the tree with a suitable safety strap. Hunting from the ground is prohibited. Permanent tree stands are prohibited. Tree stands will be removed from the woods within 14 days following the last day of hunting. Tree stands must be placed at least six feet off the ground, and 50 yards from the nearest road, golf course, maintained structure or railroad.

2. Using dogs for hunting is prohibited unless specifically authorized by the Natural Resources Manager. Leashed dogs may be used for tracking wounded game however, the Game Warden will be notified before tracking wounded game. Wounded game leaving the hunter's assigned area or entering non-hunting areas will only be tracked and dispatched with the assistance of the Game Warden.

3. Loaded weapons are permitted in tree stands only, except when terminating wounded game.

4. Hunting areas identified on enclosure (1) are designated as gun or bow areas. The Natural Resources Manager and Game Warden may change the weapons designation of hunting zones in coordination with the Commanding Officer. All hunting areas are authorized for bow hunting. Gun hunters are permitted in gun areas only. Tracking wounded game is limited to daylight hours in the assigned hunting area. If the game has not been located during this time, the Game Warden must be contacted. No other SUBASE areas are authorized for hunting or tracking wounded game.

5. Hunters may use muzzle-loading black powder firearms in gun hunting areas during the State primitive weapons season and during the regular firearms season.

6. Upon successfully harvesting game, the hunter will contact the Game Warden via cell phone and return to the Game Checking Station.

7. Hunting areas G-7, G-9, G-11, G-14, G-19, G-21, B-18, and B-25 are designated as Quality Buck Management areas. All antlered deer taken in these areas must have at least 4 points on one side of the antlers.

SCOUTING REGULATIONS

1. Attendance to the annual SUBASE Hunting Rules, Regulations, and Safety brief prior to scouting is mandatory. Scouting is authorized from sunrise to sunset on non-hunting days only. Hunters must be checked out by official sunset. All personnel scouting must notify security dispatch at 573-2145 via the Security lobby telephone, complete a SUBASE scouting pass for their vehicle windshield, and make a scouting logbook entry.
2. Scouting is not permitted on lower base areas G-9, G-11, G-16, B-8, B-10, until after 1600.
3. All lower base and area G-7, G-21, B-6 (range) will be closed for scouting during an ARC.
4. Scouting passes must be displayed in the vehicle windshield.
5. Only one area can be scouted at a time. Hunters must fill out a new scouting pass and make a scouting log entry for each area scouted.
6. All vehicles will be parked on the shoulder of a paved roadway or in an authorized parking area. Driving or parking inside hunting areas, magazine access roads, or firebreaks is not permitted.
7. Hunters must turn in their scouting pass in the security lobby when finished scouting. Failure to do so is a minor violation.
