The City of Coronado is adding a fifth morning round-trip to the Coronado Commuter Ferry beginning June 30, 2014!

- The Commuter Ferry is a fare-free service provided since 1993 by the City of Coronado to help reduce the number of cars on the road and the impacts on the environment by providing an alternative to driving.
- The new leg is designed to provide earlier service to meet the schedules of commuters and to connect with the Blue and Orange Trolley routes.
- Research shows that increases in transit service frequency can increase ridership.
- Remember, commuters ride FREE during the early morning commuter hours of 5:15 a.m. and 8:50 a.m. Morning commuters will receive a return ticket from the crew to use that afternoon.
