How to Edit a Property Listing
The following are guidelines to edit a property listing in HOMES.mil.
Edit a Property Listing

When you first access www.HOMES.mil, you will see this disclosure page. Read this information and then select OK if you agree to the disclosure and consent statements.
Edit a Property Listing

Enter your account Email and Password. When ready, click the **LOG IN** button.
Edit a Property Listing

When you log in, you will be directed to the LANDING PAGE. Your property listings are shown here.

This section informs you if the listing is visible to the public, when it expires, and if there is a hold on this listing.
Edit a Property Listing

Click the **CITY, STATE, ZIP** link to view the property details.
Edit a Property Listing

This is how your listing will appear.
Edit a Property Listing

To make any changes to this listing, click PROPERTY MANAGER VIEW.
Edit a Property Listing

You will receive an email notification when your listing expires.

You can click the **RENEW** button to renew your listing for another 30 days.
Edit a Property Listing

If you wish to remove this listing, click the REMOVE button.
Edit a Property Listing

To duplicate this listing, click the DUPLICATE button.

This feature allows you to quickly add a property that is similar to another listing.
Edit a Property Listing

The duplicate listing cannot have the same Address, Unit and Plan.

To save as a new listing, at least one of these fields must be changed.
Edit a Property Listing

To make changes to this property record, click **EDIT**.
Edit a Property Listing

From here, you can either click CANCEL to return without saving your changes or click SAVE to keep the changes and return to the previous screen.
Edit a Property Listing

To add photos, click the ADD PHOTO button.
Edit a Property Listing

Click the **BROWSE** button to locate the property photos from your computer.
Edit a Property Listing

Navigate to the location of your photos, then click on a photo to select it.

Note: Select one photo at a time.
Edit a Property Listing

When ready, click the **OPEN** button to select this photo.
Edit a Property Listing

The Image File you selected will be displayed. Click the BROWSE button again to select a different photo or you can click the CANCEL button to return to the previous screen without uploading a photo.
Edit a Property Listing

When ready to upload this photo, click the UPLOAD button.
Edit a Property Listing

The selected photo now appears. To select a different photo, click CHANGE IMAGE.

Photos are displayed in a random order. If adding more than one photo to your property listing, you may wish to use the Display Order field.
Edit a Property Listing

When done, click **SAVE**.
Edit a Property Listing

The photos are now stored in the PROPERTY PHOTOS tab.

You may add additional photos by clicking the ADD button or delete photos by clicking the DELETE button.
Edit a Property Listing

You can click the **EDIT** button to edit the Display Order or select a different photo.

When done, click the **CLOSE** button to close this record and return to your property view page.
Edit a Property Listing

Click the RETURN TO LIST button to return to your list of properties.
Edit a Property Listing

To add more properties, click the **ADD PROPERTY LISTING** link.
Edit a Property Listing

When done, click the **LOG OUT** link to log out.
Edit a Property Listing

Close your browser window after logging out.
