

## **INFORMATION AND REFERRAL**

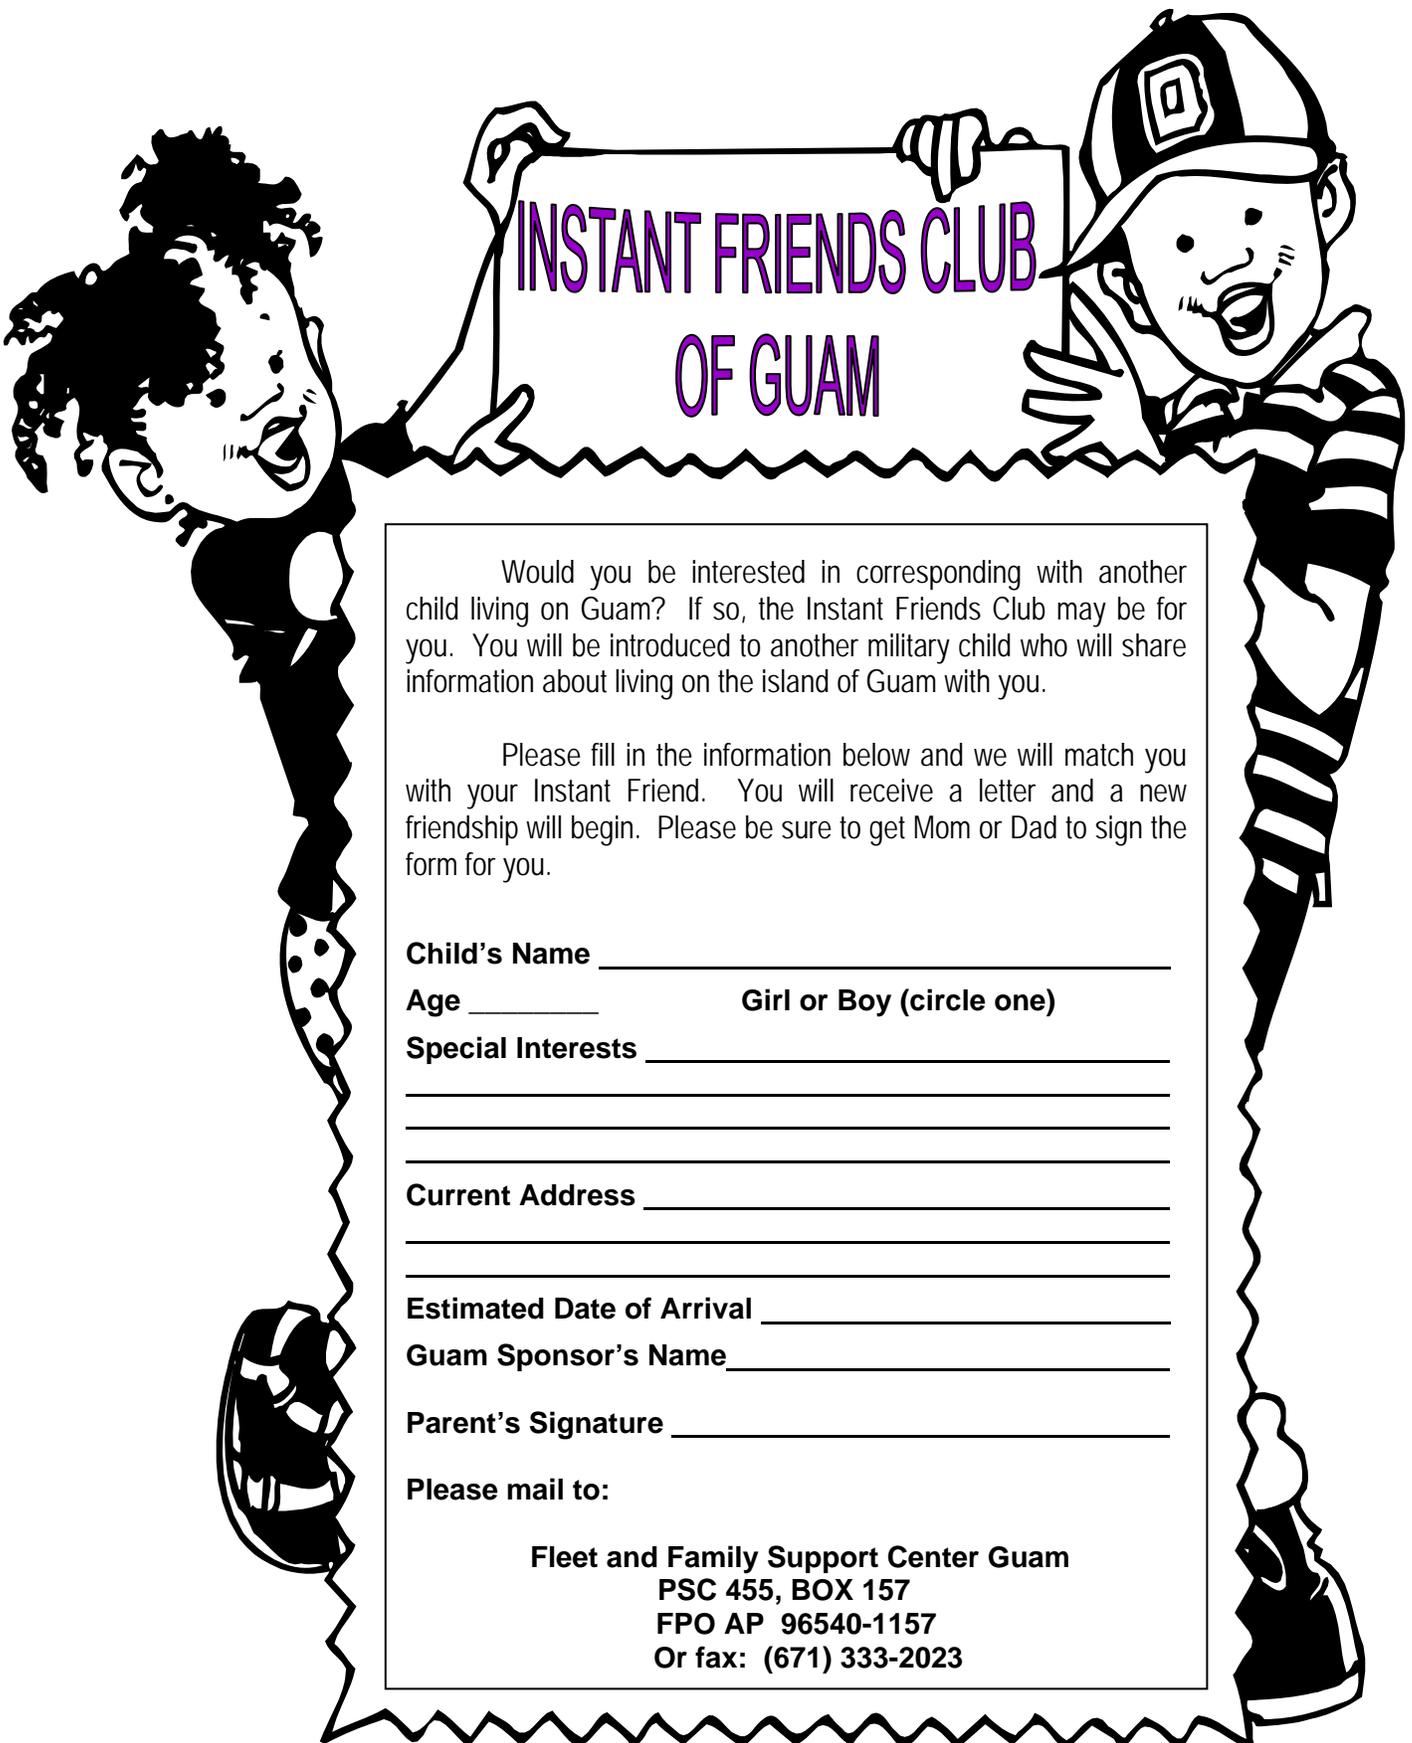

The Information and Referral (I&R) program is designed to help service members and their families utilize many of the resources that are available to them during their stay here on Guam. I&R specialists collect, maintain, and provide information regarding the base, local community, military services and resources. We are your connection for the most updated information on Employment, Housing, DMV policies, Financial Planning and so much more. If we don't have the information you are looking for, we will find it for you!

### **Instant Friends Club of Guam**

One of the many services offered through I&R, this club is designed to ease the transition for military dependent school age children accompanying their sponsors (parent/guardian) on their PCS move to Guam. The program encourages correspondence between a child already living on Guam and a transitioning child; I&R can provide many services and referrals for those PCSing and those already on island.
